PROFESSIONAL RESUME

PROFESSIONAL SUMMARY

Book promotion specialist with 15+ years of experience helping authors build visibility, grow their readership, and launch books successfully. Skilled across the full promotional lifecycle, from Amazon optimization and Goodreads review strategy to author platform development, social media campaigns, and end-to-end book launch planning. Known for combining creative storytelling instincts with a practical, results-driven approach to book marketing.

WHAT I DO

- **Amazon Optimization**
Optimizing book listings, keywords, and categories to improve discoverability and sales rank.
- **Ghostwriting**
Crafting polished, publication-ready writing on behalf of authors and clients.
- **Goodreads & Amazon Reviews**
Building review pipelines and reputation strategy across key book platforms.
- **Social Media Campaigns**
Planning and running campaigns that build author brand and reader engagement.
- **Author Platform Building**
Growing a cohesive, recognizable author brand across channels.
- **Website Creation & Development**
Designing and building author websites that convert visitors into readers.
- **Book Launch Strategy**
Planning pre-launch, launch, and post-launch activity for maximum impact.
